

# Endodontics Limited

*invites you to a complimentary lecture on...*

## **ENDODONTIC TREATMENT VS. IMPLANT REPLACEMENT FOR PROSTHETIC ABUTMENTS**

**WITH GUEST SPEAKER DR. JONATHAN H. ORENSTEIN**

*Dr. Orenstein received his Dental degree from Temple University School of Dental Medicine in 1985 and his Post-Graduate Certificate in Prosthodontics in 1987.*

*Dr. Orenstein is in full time private practice in Marlton, New Jersey with extensive experience in multiple root-form dental implants and their dental rehabilitations.*

*He is an assistant clinical professor at The University of Pennsylvania School of Dental Medicine, in the department of Periodontics, teaching in the Perio-Prosthesis postgraduate program.*

*He is a trustee and the former president of the Delaware Valley Academy of Osseointegration and maintains his membership in the American Dental Association, the American College of Prosthodontics, and the Southern Dental Society of New Jersey.*

*Dr. Orenstein currently serves on the Board of Trustees of Cooper Medical School of Rowan University and previously served eight years as a member of the Board of Trustees of the University of Medicine and Dentistry of New Jersey. Dr. Orenstein was granted a U.S. patent in 1989 on implant related hardware, has co-authored several articles on various prosthetic topics in refereed journals, and has presented at various local, national, and international meetings involving innovative implant restorative dentistry over the last 20 years. He attained fellowship in the Academy of Osseointegration in 1998 and has served as Trustee and as President of the Osseointegration Foundation from 2006-2013.*
