

# *Endodontics Limited*

*invites you to a complimentary lecture on...*

## **TRAUMATIC INJURY**

**WITH GUEST SPEAKER DR. JOE H. CAMP**

*This program will teach the emergency and long range treatment for traumatic injuries including crown fractures, displacement, intrusions, avulsions and root fractures. Proper splinting and the use of calcium hydroxide and MTA in trauma are included.*

*Dr. Camp attended dental school at the University of North Carolina School of Dentistry. He completed graduate training in pediatric dentistry at Indiana and endodontic training at the University of North Carolina. He is currently in the private practice of endodontics in Charlotte, North Carolina and is adjunct professor at the University of North Carolina School of Dentistry.*

**Thursday**

**November 14th 2013**

**Buck Hotel**
